Celebrated German Bitters. Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States as the cures attest, in

many cases after skillful physicians had failed. Derangement of the Liver and Stomach are sources of Insanity, and will also produce disease of the Heart, Skin, Lungs and Kidneys, and lays the body open to an attack of the Cholera, Bilious, or Yellow Fever, and is generally the first cause of that most baneful dis-

ease, Consumption. Opinions of the Philadelphia Press. "THE DISPATCH,"

December 31st says :-AN INVALUABLE MEDICINE .-- We have frequently heard the Celebrated German Bitters, manufactured by Dr. Hoofland, spoken of in terms of commendation, and we know deservedly so. It is a too common practice, in certain quarters, to puff all manner of aseless trash, but in the case of the above Bitters, hundreds are living witnesses of the above bitters, and dreds are living witnesses of their great moral and physical worth. As a medicine for the Liver Complaint, Jaundice, Nervous Debitty and Dyspepsia, it has been found invaluable, effecting cures and thoroughly eradicating diseases, when all other medicines have failed.— We fell convinced, that in the use of the German Bitters, the patient does not become debilitated, but constantly gains strength and vigor to the frame-a fact worthy of great consideration. The Bitters are pleasant in taste and smell, and can be administered under any circumstances, to the most delicate stomach. deed, they can be used by all persons with the most perfect safety. It would be well for those who are much affected in the vervous system, to commence with one teaspoonful or less, and gradually increase. We speak from experience, and are of course, a proper judge. The press far and wide, have united in recommending the German Bitters, and to the afflicted we most cordially advise their use.

"SPIRIT OF THE TIMES."

June 24th says :-"DO OUR GOOD CITIZENS who are invalids, know the many astonishing cures that have peen performed by Dr. Hoofland's Celebrated German Bitters? If they do not, we recommend them to the "German Medicine Store," all who are afflicted with Liver Complaint, Jaundice, Dyspepsia, or Nervous Debilplaint, Jaundice, Dyspepsia, or Nervous Debility, the Doctor has cured many of our citizens after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are entirely Vege table.

Can stronger testimeny be adduced by any Preparation before the public? A single bottle will convince any one of their power over dis-ease. They are entirely Vegetable, and will permanently destroy the most obstinate costine-ness; and give strength and vigor to the frame, at no time debilitating the patient; being also grateful to the most delicate stomach under any circumstances, and can be administered with perfect safety to delicate infants—they are free from Alcohol, Syrup, Acids, Calomel, and all

DR. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA,

The most extraordinary Medicine in the World. G-This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cares without vomiting, purging, sickening, or debilita-

ting the Patent.
The great beauty and superiority of this Sarsaparilla over all other medicine is, that while it eradicates disease, it invigorates the

qody. It is one of the very best SPRING AND SUMMER MEDICININES Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5.000 children during the past season.

10,000 Cases of General Debility and

want of Nervous Energy. Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the use of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal discase. Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any INVIGORA-TING CORDIAL, as it removes and invigo rates the system, gives activity to the limbs, and strength to the muscular system, in a

most extraordinary degree. Consumption Cured.

Cleanses and Strengthens Consumption can be cured, Bronchitist, Consumption, Liver compectoration, Pain in the Side, &c. have been

and can be cured.

This is only one of more than 4,000 cases of Rheuniatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly cradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the fol-

lowing letter:
Dr. Townsend, Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better-indeed, I am entirely relieved. You are at liberty to use this for the benefit of the af-

Yours respectfully, JAMES CUMMINGS.

FITS! FITS! FITS! Dr. Townsend, not having tested his Sarsaparilla in cases of Fitz, of course never recommended it, and was surprised to receive the following from an intelligent and respectable

Farmer in Westchester county: FORDHAM, Aug. 13, 1857. Dr. Townrend, Dear Sir-I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendation T appearing to my satisfaction that Edward B. Halloway and Thomas O. Halloway two of the defendants in this case, reside from and beyond the limits of this State. JOHN BUTLER, Jr. FEMALE MEDICINE!

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barreness, Prolapsus Uteri, or falling of the womb, Piles, Leucorraa, or Whites, obstruc-tion or difficult Menstruration, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system; no matter whether the result of inherent cause, produced by irregularity, illness or ac-cident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female use C. Mays, Defendants. ted, that hundreds of cases have been reported to us; thousands of cases where families have been without children after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children. It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, and those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth. In Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorarhage, and in regulating the Secretions and equalizing the circulation it has no equal. HASTING'S COMPOUND SYRUP OF NAPHTHA.

NOT only a prettive but a warranted cure for consumption and all diseases of the lungs. This medicine has decided the dispute about the curability of consumption, and satisfied the medical faculty and all who have used it, that consumption and all affections of the lungs can not only be cured, but they are as easily and simply chired, as almost any of the dis-orders to which the human frame is liable.— The operation of a single bottle, which costs-\$1, is sufficient to satisfy any patient—if not al-together too far gone with the disease—of this fact; and even a single dose gives evidence of its extraordinary influence in arresting and eradicating the malady by the immediate relief which it affords. This is no quack or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent physicians of the age, and has made a full disclosure of its history, and all its component parts to the world, not wishing to incur the responsibility of confining to him-self, for the sake of profit, a secret which was calculated to do such universal good. And such has been the wonderful result of its operations, that the London Lancet, Medical Times, and the most eminent physicians of both hemispheres, are anxiously calling upon sufferers to have immediate recourse to it, and pro-claiming that of all known medicine, it alone has positively established its efficacy by unde-

niable proofs of curing consumption and all oths er diseases of the lungs. For sale at the Apothecary Hall by J. D. CHASE: Price \$1 per bottle.
